

LIST OF ILLUSTRATIONS IN VOLUME XXXVII.

	PAGE
The Rise of the Seiene. The ferry-man from the National Bridge to the Bridge of Tolbiac.....	2
Administration Building of the Veterinary School, Alfort.....	3
On the "Berthon".....	3
Houses in Alfort; the principal thoroughfare.....	4
Roaring—	
Fig. 1—Right Half of Larynx of Horse.....	27
Fig. 2—Left Half of Larynx of Horse Immediately After Operation.....	31
Dog from which a 2-oz. Cystic Calculus was removed.....	56
Cystic Calculus from eighteen months' old Foxhound.....	57
Teratoid Developments in Testicles of Horses—	
Fig. 1.....	58
Fig. 2.....	59
Fig. 3.....	60
A Prolific Cow.....	62
Lip-and-Leg Ulceration (Necrobacillosis). Its Cause and Treatment—	
Fig. 1—Lip-and-Leg ulcerations, showing lip lesions in ewe infected with germs obtained from warty lips of lamb.....	163
Fig. 2—Lip-and-Leg ulcerations, showing leg lesions.....	165
Fig. 3— <i>Bacillus necrophorus</i> showing cocoid, bacillary and filamentous forms.....	166
Fig. 4—Development of colonies of <i>Bacillus necrophorus</i> in agar jelly. a. Culture showing twenty-four hours' growth, with numerous small gas bubbles; b. culture seven days old showing isolated colonies which are characteristic in that their grayish centers are surrounded by fuzzy white areas not unlike the strands of loose, fleecy cotton; c. single colonies of the necrosis bacillus showing this filamentous character of their growth (enlarged). (From drawing by W. S. D. Haines.).....	167
Fig. 5—Lamb with lesions on lips and sheath. (Photo by Dr. W. E. Howe.).....	171
Fig. 6—Head of hog affected with necrotic stomatitis due to the necrosis bacillus.....	320
Fig. 7—Lesions on the tongue, cheek and hard palate in calf diphtheria due to the necrosis bacillus.....	321
Fetal Testicle and its attachments, illustrating the attachments and relations of a typical cryptorchid testicle as affecting the problem of castration.....	174
Notes on Some Diseases of Ostriches—	
Fig. 1—Showing Ostrich affected with paralysis attempting to rise.....	292
Fig. 2—Ostrich chick affected with paralysis attempting to crawl about on its hocks. Note the contracted condition of the toes..	293

	PAGE
Fig. 3—Bird in last stage.....	294
Fig. 4—Showing position assumed by sick bird in last stages.....	294
Entrance to Administration Hall, Royal Veterinary College, Berlin....	341
At the Polyclinic.....	343
Waiting for the Professor.....	344
Narcotizing a Dog prior to the Operation.....	347
A Monstrosity.....	373
Group of U. S. V. M. A. Members, Philadelphia, 1904, Frontispiece to No. 4, Vol. XXXVII.	
Photograph of Dog Showing Typical Attitude.....	522
Officers of the American Veterinary Medical Association, 1909-1910, Frontispiece to No. 5, Vol. XXXVII.	
Showing pelvis of a rabbit whose Thymus Glands have been removed and the witness.....	574
Hermaphrodism in a Mule Colt.....	655
Cystic Testes with Secondary Cysts; Case Report.....	658
Peculiar Accident to Dog.....	780
Tenotomy in Both Posterior Members.....	782, 783

TABLE OF CONTENTS, VOLUME XXXVII.

PAGE	PAGE
Abortion in Cattle.....	630
Abscess, Chronic, on the Mesentery with Fistula Opening into the Small Intestine.....	662
Abscesses of Fixation.....	8
Abscesses of Strangles with Perforation in the Oesophagus...	541
Abscess, Mammary, in a Cow...	247
Abscess of Strangles in the Mediastinum Communicating with a Sub-Sternal Purulent Collection	795
Abstracts from Exchanges...71, 244, 385, 659.	787
Actinomycoses, Rare Localization of, in a Cow.....	254
Acquired Diaphragmatic Hernia in a Foal.....	86
Acute Enteritis.....	789
A Few of the Internal Parasites of the Horse and Sheep, Case Report	522
Alfort, Flood at.....	I
Allantoid, Dropsy of the not Diagnosed in a Cow.....	249
American Veterinary Special....	438
Amputations	247
Amputation of the Tongue, Case Report	370
Anaphyloxy, A Little About....	279
An Educational Problem.....	621
Angiocholitis, Suppurative Ascending Chronic in a Cat....	394
Animal Diseases of Interest to the General Practitioner of Human Medicine	638
An Interesting Case.....	535
Anjeszky's Disease, Contribution to the Study of.....	83
Antiadenitic Vaccination, Value of the.....	797
Anterior Crural Nerve, Paralysis of the	662
Antistreptococcic Serum in Purpura	396
Anus, Imperforated in a Calf....	74
Aphthous Fever, or Foot and Mouth Disease	452
Armatus, Strongylus.....	246
Army Personal Notes.....	64, 786
Army Veterinary Bill.....	19
Army Veterinary Bill, Status of the	785
Army Veterinary Bill, Endorsement of, by the Profession....	228
Army Veterinary Bill, No Prospect of Passage of the.....	63
Army Veterinary Bill Passes the Senate	65
Army Veterinary Department.63, 228,	785
Arthritis, Pyaemic, and the Use of Miclein Solution in Its Treatment, Case Report.....	365
Ascitis in Dog.....	265
Asinine Tuberculosis.....	703
Auricles, Ossified Cardiac in a Horse	539
Avian Diphtheria or "Roup"...	214
Avine Tuberculin as a Diagnostic Agent in Chronic Pseudotuberculous Enteritis of Cattle	261
A. V. M. A. Convention, Off to the	710
A. V. M. A. Matters.....	153
A. V. M. A., Past President of, Decorated by King George....	580
A Well-Employed Career.....	706
Axillary Artery, Thrombosis of the	796
Azoturia, Case of, Case Report..	221
Azoturia—Hemoglobinuria	697
Bacilli, Acid Fast, Concerning an Elective Staining of the Spores of	87
Back, Last Cervical Vertebrae and Front Ribs, Fracture of the	533
Bacterine and Vaccines in Veterinary Practice	505
Bakteriologie, Kompendium der Angewandten, für Tierärzte...	708
Bandage, A Practical.....	650
Behring's Bovovaccination, Contribution to.....	746
Belgian Review.....	395, 666
Berlin, Veterinary College at....	339
